

RESTAURANT MONTH 2020 CHEF'S TABLE EVENTS.

14 SEPTEMBER 2020 UPDATE IN RESPONSE TO COVID-19 ALERT LEVELS

1. Chef's Table Events will proceed

Auckland is currently at Covid-19 "Alert Level 2.5" (Level 2 with additional restrictions). At this time, event venues (including restaurants) are able to open for up to 100 people within a defined space. Our Chef's Table events have smaller capacities and are able to go ahead with observance of the current government guidelines for Eating Out occasions. These are:

- Seated – all customers will be seated with no more than 10 customers together at a table.
- Separated — customers will be kept at least 1 metre apart from other groups.
- Single server — each group will have only 1 server, where practical.

Operating at this level is a team effort so we thank everyone for your patience and understanding as the restaurant teams work to deliver you a fantastic experience under these guidelines.

2. Please consider the health and wellbeing of others before attending this event.

Remember that if you:

- or any of your party are feeling unwell or have any cold or 'flu-like' symptoms
- are self-isolating or awaiting test results for COVID-19
- have a confirmed or probable case of COVID-19
- have been in contact with anyone who fits the descriptions above

Please contact iTicket on +64 9 361 1000 or email support@iticket.co.nz. On the day of the event you can call 09 3779 224.

3. A reminder to make the event safe and enjoyable for everyone, please observe the following:

- Keep physical distance from people you don't know.
- Face coverings are required on public transport at this time and recommended by the government in public places, but not mandatory within restaurants.
- Follow the restaurant's safety measures.
- Wash your hands when you get home.
